

Resolution #HSRA 14-16

**Approval to Issue a Request for Proposals for Right-of-Way Services
for the Initial Construction Section**

Whereas, the California High-Speed Rail Authority (Authority) may enter into contracts with private and public entities for the design, construction and operation of high-speed rail trains including all tasks and segments thereof pursuant to California Public Utilities Code section 185036; and

Whereas, property acquisition and right-of-way services are crucial to the construction of the California High-Speed Rail System.

Therefore, it is resolved:

The Board directs the Authority staff to issue a Request for Proposals for Right-of-Way Services (RFP) to procure multiple contracts for Right-of-Way Services not to exceed a total aggregate amount of \$35,000,000 for a term of four years. The RFP requires that the consultants must comply with the Authority's 30 percent Small Business participation goal. Non-substantive modifications may be made to the RFP after approval and prior to release.
